

### **Are you a Mammographer?**

If you have been working in a clinical environment during the Covid-19 pandemic, you may be eligible to participate in a research study for a PhD.

#### *Exploring Mammographers experiences throughout the Covid-19 pandemic.*

This project aims to explore mammographers experiences throughout the pandemic from redeployment through to the recommencement of the NHS Breast Screening Programme and post lockdown. You are invited to take part in one-to-one interviews online using a virtual platform.

#### **Are you eligible?**

Are you a qualified mammographer?

Have you been working in clinical practice in an NHS Trust since 2019?

#### **Arrangements**

One to one interview at a convenient time for you.

Will take a maximum of 1 hour of your time.

Follow up interview in 1 years' time.
