

What you can expect from us

Radiographers are qualified and competent professionals who will

- ✓ Respect you and treat you with compassion and honesty
- ✓ Provide a caring, efficient and effective service
- ✓ Be professional and act with integrity
- ✓ Protect your information and respect your privacy and confidentiality
- ✓ Provide you with the opportunity to work with practitioners to develop our service
- ✓ Deal with complaints quickly and fairly

How you can help us to help you

- ✓ Share with us any information or concerns to help us make your examination or treatment right for you
- ✓ Be honest with us, respect our staff but tell us when we can do better
