

Last updated 26/03/2021

Course title	Course level	Institution	Topics	Region
Intravenous Injection for Radiographers		Birmingham City University	Contrast Media and Drugs	Midlands
Breast Imaging Practice, Breast Image Interpretation & Reporting, X Ray Guided Breast Interventional Biopsy	PgC	Birmingham City University	Mammography, Reporting	Midlands
Radiography	MSc PgD PgC	Birmingham City University	CT, Image Interpretation, Leadership, MRI, Paediatrics, Reporting, Research,	Midlands
Clinical Reporting	MSc PgC PgD	Canterbury Christ Church University	Reporting	South East
Clinical Competence in Mammography - 30 credit module		Cardiff University	Mammography	Wales
Practice Based Learning Certificate		Cardiff University	Practice Educators	Wales
Radiography	MSc PgD	Cardiff University	Mammography, Radiation protection, Reporting	Wales
Radiographic Reporting	PgC	Cardiff University	Reporting	Wales
Magnetic Imaging (MRI)	MSc PgC PgD	City University (London)	MRI	London
Radiography (Computed Tomography)	MSc PgC PgD	City University (London)	CT	London
Diagnostic Imaging	MSc	Glasgow Caledonian University	Advanced Practitioners, CT, Imaging, Reporting, Researchers, Ultrasound	Scotland
Advanced Practice in CT Colonography	PgC	Keele University	CT	Midlands
Diagnostic Imaging	MSc PgC PgD	London South Bank University	Advanced Practitioners, Imaging, Reporting, Role Development	London
Radiographic Reporting	MSc PgC PgD	London South Bank University	Advanced Practitioners, Reporting, Role Development	London
Radiotherapy & Oncology	MSc PgC PgD	London South Bank University	Advanced Practitioners, CPD, Radiotherapy, Role Development	London
Breast Imaging	MSc PgC PgD	London South Bank University with King's College Hospital	Mammography, Image Interpretation & Reporting	London
Medical Imaging	MSc	Queen Margaret University (Edinburgh)	CT, MRI, Reporting	Scotland

Last updated 26/03/2021

Mammography	MSc PgC PgD	Queen Margaret University (Edinburgh)	Mammography, Stereotactic	Scotland
Certificate of Competence in Intravenous Administration for Radiographers		Robert Gordon University	Contrast Media and Drugs	Scotland
Diagnostic Image Reporting	PgC	Robert Gordon University	Reporting	Scotland
Learning and teaching for practice - module		Sheffield Hallam University	Advanced Practitioners, Practice Educators	Yorkshire & North Trent
Enhanced Diagnostic Imaging Practice	MSc PgC PgD	Sheffield Hallam University	Educators, Image Interpretation, Imaging, Researchers	Yorkshire & North Trent
Learning and teaching for practice - module		Sheffield Hallam University	Advanced Practitioners, Practice Educators	Yorkshire & North Trent
Enhanced Diagnostic Imaging Practice	MSc PgC PgD	Sheffield Hallam University	Educators, Imaging, Researchers	Yorkshire & North Trent
Advanced Clinical Practice Image Interpretation	MSc PgC PgD	Sheffield Hallam University	Advanced Practitioners, Imaging, Reporting, Researchers, Service Development	Yorkshire & North Trent
Advanced Clinical Practitioner (Radiographic Reporting)	MSc	University of Bradford	Advanced Practitioners, Reporting	Yorkshire & North Trent
Medical Imaging	MSc PgC PgD	University of Bradford	CT, MRI, Reporting	Yorkshire & North Trent
Medical Imaging: International	MSc	University of Bradford	CT, MRI, Reporting	Yorkshire & North Trent
Medical Imaging (Computed Tomography)	PgC	University of Bradford	CT, Reporting	Yorkshire & North Trent
Medical Imaging (MR)	MSc PgC PgD	University of Cumbria	MRI, Research	Northern
Image Reporting	PgC	University of Derby	Advanced Practitioners, Reporting, Role Development	Midlands
DXA Reporting for Clinicians module		University of Derby	Bone Densitometry, Reporting	Midlands
Axial Skeletal Reporting module		University of Exeter	Advanced Practitioners, Reporting	South West
Medical Imaging: Skeletal Image Reporting	MSc	University of Exeter	Advanced Practitioners, Reporting	South West

Last updated 26/03/2021

Skeletal Reporting module		University of Exeter	Advanced Practitioners, Reporting	South West
Medical Imaging & Radiation Sciences – Advanced Radiotherapy and Oncology Practice	MSc PgC PgD	University of Hertfordshire	Advanced Practitioners, Dosimetry & Planning, Leadership, Prescribing, Radiotherapy, Research	Eastern
Medical Imaging & Radiation Sciences – Advanced Medical Imaging	MSc PgC PgD	University of Hertfordshire	Advanced Practitioners, CT, Imaging, Leadership, MRI, Prescribing, Principles of Reporting, Research	Eastern
Diagnostic Imaging	MSc PgC PgD	University of Leeds	Advanced Practitioners, Breast, Interventional, Mammography, Stereotactic, Ultrasound	Yorkshire & North Trent
Nuclear Medicine Imaging	MSc PgD	University of Salford	Nuclear Medicine	North West
Advanced Medical Imaging	MSc PgC PgD	University of Salford	Advanced Practitioners, Mammography, Reporting, Ultrasound	North West
PgC Radiographic Reporting of the Chest and Abdomen	PgC	University of Suffolk	Advanced Practitioners, Reporting	Eastern
Advanced Practice and Reporting in Computed Tomography Colonography (CTC)	PgC	University of Suffolk	Advanced Practitioners, CT, Reporting	Eastern
Nuclear Medicine	MSc PgC PgD	University of the West of England	Nuclear Medicine, Reporting Skills in Nuclear Medicine	South West
Administering Intravenous Injection		University of the West of England	Contrast Media and Drugs	South West
Fundamental Applications of Computed Tomography module		University of the West of England	Advanced Practitioners, CT	South West
Anatomy and Pathology in Cross Sectional Imaging module		University of the West of England	Advanced Practitioners	South West
Computed Tomography Technology module		University of the West of England	Advanced Practitioners, CT	South West
Facilitating Practice Based Learning module		University of Ulster	Practice Educators	Northern Ireland
Education for Healthcare Professionals	PgC	University of Ulster	Practice Educators	Northern Ireland
